

## Second Quarter 2010 Truck Schedule

This truck schedule can be used as a quick reference guide. Check the website flight schedule or flight availability tool to ensure the desired truck is operating and the appropriate equipment type is available for your shipment. For further information regarding our truck schedules, please contact United Cargo. All truck schedules and equipment types are subject to change without notice.

Truck numbers are identified on the [unitedcargo.com](http://unitedcargo.com) website by the first digit "T" or "9".

Website bookings using truck segments with an equipment type that is inappropriate for your shipment type may be refused for transport by truck.

Hazardous Materials are not allowed on trucks to or from BOS - Logan International Airport.

Warm-blooded animals are not allowed on trucks.
